Let the **CHILDREN** come to me, and do not hinder them, for the kingdom of **GOD** belongs to such as these

- Mark 10:14

Planting Seeds of Faith & Knowledge

SEEDS OF FAITH MISSION

To inspire the growth of the whole child through Faith, Love,
Original Learning Experiences and Family Partnerships.

COME EXPLORE WITH US

At Seeds of Faith, we strive to...

- Create an engaging environment where children learn at their own pace and different ways of learning are celebrated and encouraged.
- Provide developmentally appropriate activities and materials to the children in our care that enhance the growth of each individual child in the area of social-emotional, physical, language, and cognitive development emphasizing learning through rich play experiences.
- Create opportunities for the physical, emotional and spiritual health of each child.
- Provide community resources when necessary to promote the health and well-being of each family in our care.
- Emphasize communication to ensure that strong connections occur between home and school.
- Create an integrated partnership that involves families, teachers, and community and nurtures the souls of the children.

Seeds of Faith has maintained a 5-star rating on Iowa's Quality Rating System since 2012

LEARNING THROUGH THE EYES OF THE CHILD

Seeds of Faith provides young children with a foundation for enthusiastic, lifelong learning. Learning should be meaningful, experiential, and exciting.

- Children learn about science and their world through gardening—planting, caring for, and harvesting vegetables in the classrooms and our backyard garden.
- Children learn about keeping their bodies strong and healthy by enjoying healthy snacks provided by the preschool.
- Children learn about God's abundant love through daily devotions and prayer as well as special chapel time with Faith's pastors.
- Children learn by doing through art and sensory play, dramatic play, blocks and building, music, fine and large motor play, and small and large group experiences focused on early literacy and math activities.
- Children learn critical life skills—sharing, problem solving, kindness, self-regulation, and confidence through an emphasis on social-emotional development.
- Children learn they are loved and cherished by their teachers each and every day at preschool.
